2. PURPOSE OF THE PAIA MANUAL

Section 32 of the Constitution of the Republic of South Africa, No. 108 of 1996 (“the Constitution”) provides:

(1) Everyone has the right of access to –

- (a) any information held by the state; and
- (b) any information that is held by another person and that is required for the exercise or protection of any rights.

(2) National legislation must be enacted to give effect to this right and may provide for reasonable measures to alleviate the administrative and financial burden on the state.

The Promotion of Access to Information Act, No.2 of 2000 (“the Act”), gives effect to section 32 of the constitution, that enshrines the constitutional right of access to any information held by the State and any information that is held by another person and that is required for the exercise or protection of any rights. Where a request is made in terms of this Act, a private or public body (as contemplated in the Act) to whom the request is made is obliged to provide access to the information, except where the Act expressly provides that the information must not be released. The Act sets out the requisite procedural issues attached to such request. This manual therefore applies to requests for access to records held by Santam Limited, as the private body contemplated under the Act.

This PAIA Manual is useful for the public to–

- 2.1 check the categories of records held by a body which are available without a person having to submit a formal PAIA request;
- 2.2 have a sufficient understanding of how to make a request for access to a record of the body, by providing a description of the subjects on which the body holds records and the categories of records held on each subject;
- 2.3 know the description of the records of the body which are available in accordance with any other legislation;
- 2.4 access all the relevant contact details of the Information Officer and Deputy Information Officer who will assist the public with the records they intend to access;
- 2.5 know the description of the guide on how to use PAIA, as updated by the Regulator and how to obtain access to it;
- 2.6 know if the body will process personal information, the purpose of processing of personal information and the description of the categories of data subjects and of the information or categories of information relating thereto;
- 2.7 know the description of the categories of data subjects and of the information or categories of information relating thereto;
- 2.8 know the recipients or categories of recipients to whom the personal information may be supplied;
- 2.9 know if the body has planned to transfer or process personal information outside the Republic of South Africa and the recipients or categories of recipients to whom the personal information may be supplied; and
- 2.10 know whether the body has appropriate security measures to ensure the confidentiality, integrity and availability of the personal information which is to be processed.

3. WHO MAY REQUEST INFORMATION IN TERMS OF THE ACT

- **Request fee:** This is a non-refundable administration fee paid by all requesters. It is paid before the request is considered.

Written notice must be given to a requester of the request fee and amount to be paid before the request may be further processed.

If the request is declined, the deposit must be repaid to the requester.

The notice given to the requester must advise the requester that s/he has a right to apply to court against the payment of the request fee or deposit and should also advise of the procedure of the application.

This is deemed to be a refusal of the request. If, however, the record is found later, the requester must be given access if the request would otherwise have been granted.

The Information Officer will within 30 days of receipt of a correctly completed request, notify the requester of the decision as to whether to grant the request.

- 9.1 The Act prohibits the unreasonable disclosure of the personal information of natural-person third parties to requesters. This includes the personal information of deceased persons. However, Section 63(2) of the Act does provide exceptions to this.
- 9.2 A request must be refused if it relates to records containing third party information pertaining to:
- trade secrets;

- 9.7 The disclosure of information about research where disclosure is likely to expose the third party, the person conducting the research on behalf of the third party, or the subject matter of the research to serious disadvantage is prohibited. Disclosure is discretionary if such research pertains to Santam Limited itself.

Notwithstanding any of the above-mentioned provisions, a record must be disclosed if its disclosure would:

- reveal evidence of a substantial contravention of or failure to comply with the law, imminent and serious public safety or environmental risk; and
